

Founded in 1983, the **GREATER EASTON DEVELOPMENT PARTNERSHIP (GEDP)**, is a volunteer driven, 501(c)(3) nonprofit entity that collaborates to nurture Easton’s economic well-being and cultural vibrancy. We strive towards making Easton a national model of a livable and welcoming small city. To support our efforts, GEDP hosts two family-focused events throughout the year that provide a fun atmosphere for children of all ages to enjoy two truly unique experiences.

Princesses Belle, Cinderella, Tiana, Rapunzel, and Ariel host our annual **PRINCESS TEA** with sweet treats, sing-alongs, and a truly royal experience. Each Prince or Princess is presented with tiara or crown upon arrival. Guests (up to 150) dress up as their favorite royalty to really embrace the full experience.
